

Social Action Partners With OrderPaperNG, Launches App For Tracking Constituency Projects Across States In The Niger Delta

Social Action Nigeria, with support from the MacArthur Foundation has partnered with OrderPaperNG to launch CONSTRACK in the Niger Delta.

The App, a public Accountability tool that provides VERIFIED Information about legislators' projects being funded by the government across constituencies, allows individuals to be able to directly MONITOR, TRACK and SHARE updates/information about such projects. The App was developed by OrderPaperNG, Nigeria's premier multi-platform organization dedicated to reporting, tracking and archiving activities of the legislature in the digital age.
